

## BERKSHIRE HATHAWAY AND WESCO FINANCIAL CORPORATION ANNOUNCE PER SHARE MERGER CONSIDERATION

For Immediate Release

June 23, 2011

OMAHA, NE and PASADENA, CA, June 23, 2011 — Berkshire Hathaway Inc. (NYSE: BRK.A; BRK.B) (“Berkshire”) and Wesco Financial Corporation (NYSE Amex: WSC) (“Wesco”) announce that the per share merger consideration in connection with the proposed merger (the “Merger”) of Wesco with and into a subsidiary of Berkshire is \$385.00.

The special meeting of the Wesco shareholders to vote on the adoption of the merger agreement is scheduled to be held on June 24, 2011. The per share merger consideration set forth herein is based on a special meeting date and anticipated closing date of June 24, 2011. If the special meeting is postponed or adjourned to a later date, the per share merger consideration would be adjusted in the manner set forth in the merger agreement.

The \$385.00 per share merger consideration was calculated as follows (with the aggregate numbers rounded to the nearest cent for purposes of this release):

- \$386.55, which represents Wesco’s shareholders’ equity per share as of January 31, 2011, estimated for purposes of the merger agreement, plus

- \$4.74 per share, which represents an earnings factor of \$.98691 per share per month (and pro rated on a daily basis for the month of June) for the period beginning February 1, 2011 and ending June 24, 2011, minus

- \$5.49 per share, which is the sum of the following (expressed on a per share basis, net of taxes) for the period beginning February 1, 2011 and ending June 22, 2011 (the second full trading day prior to the date of the Wesco special meeting): (a) the change (positive or negative) in net unrealized appreciation of Wesco’s investment securities, (b) the amount of net realized investment gains or losses and (c) the amount of other-than-temporary impairment charges with respect to Wesco’s investment securities; minus

- \$.42 per share, which is the amount of the per share cash dividend paid on June 9, 2011 to Wesco shareholders of record on May 25, 2011; minus

- \$.38 per share, which represents a good faith estimate (expressed on a per share, after-tax basis) of the fees and expenses of the advisors to the Wesco special committee and of the legal counsel to Wesco and Wesco’s one-half share of the fees and expenses incurred in connection with printing and mailing the proxy statement/prospectus and the Securities and Exchange Commission (“SEC”) filing fees relating to the Merger, in each case incurred or to be incurred subsequent to December 31, 2010 in connection with the Merger.

The exchange ratio in the Merger is 5.0611, so that, for one share of Wesco common stock that is exchanged for Berkshire Class B common stock, a Wesco shareholder would receive five shares of Berkshire Class B common stock and the remainder payable as cash in lieu of a fractional share.

The Merger remains subject to the conditions set forth in the merger agreement, including the shareholder approval requirements and the absence of certain events described therein.

Wesco engages in three principal businesses through its own direct or indirect subsidiaries, including the insurance business, the furniture rental business and the steel service center business. Wesco's operations also include the management of commercial and residential real estate in downtown Pasadena, California.

Berkshire Hathaway and its subsidiaries engage in diverse business activities including property and casualty insurance and reinsurance, utilities and energy, finance, manufacturing, retailing and services.
